

# **NEWS LETTER OF THE SOUTH BENDIGO FOOTBALL NETBALL CLUB**

**May 2017 Edition**

---

Welcome to the May edition of "Blood Lines". The intent of the Club's newsletter is to keep members, players and supporters informed about what's happening at South by recalling the highlights of the month just passed and informing on what's coming up in the month to come. If there are any other areas or aspects of the Club that you would like to see us cover please feel free to submit your suggestions via a return email.

## **PRESIDENTS UPDATE**

Another season rolls along and I thought it timely to update our valued members and supporters on club matters.

Three Rounds into the season and we have made a promising start in all 3 grades of football. On field it is very satisfying to be in a position of stability for the first time in a number of years where all of our coaches from last season will continue in their role this season. This has resulted in very few players leaving the club whilst seeing some quality signings over summer. Adding to this is the presence of Brady Childs as playing coach this season, which will bring much needed leadership and organisation on the field.

Our expectations are to be vying for a finals berth in 2017. I encourage you to get along to as many games as you can to support the boys as they play an exciting brand of football and I am sure the boys would welcome your support.

Our depth is quite strong and our list exceeds 60 players. With our Reserves making finals last year and with such depth we expect our Reserves to feature at the pointy end of the finals this year.

Turning to our Under 18's, we have a very healthy list of over 30 players of high quality, and again looking to go deep in the finals this season.

This is a huge turnaround to where we were 3 years ago. Much work has been done to get us to this stage and more to do to get us back up to the top where we belong and where many of you are used to being when you played at the Bloods.

I couldn't be happier with the work and direction Brady and our coaches are taking in developing our young list. Another area that we have worked hard on as a club is our culture in which the players and everyone involved has bought into.

South Bendigo is again a club that people want to be at and the feedback we receive from the league and AFL Vic is that we rank as one of the most respected clubs in the league, which again is a testimony to the work done by the Executive to build this.

We have a strong Executive and Committee who are committed to continuing to raise the bar and keep the momentum going. We also have a fantastic group of volunteers at our club. However, like most clubs we do get stretched at times and could always do with more. If

you are in a position to provide assistance in any small (or large) way we would certainly appreciate that.

There are a core group of past players who are doing some excellent work at the club, which is greatly appreciated. Recently we held our annual past players golf day which was a great success and again well run by David McMurray and Trev Wright with assistance from a good crew of past players.

#### PAST PLAYERS COMMITTEE:

This season a past players and official committee has been established and it is great to see representation from all decades from the 1960's to the 2000's. There are some real club legends and characters on board and are keen to assist the club going forward with several initiatives. One main initiative is to encourage past players from their era back to the club and will be focussed on a concerted drive to do so. We have a strong data base of past players so there is a lot of work involved to try to connect with everyone.

The first major Past Players Function for the season is the annual GRAEME WRIGHT memorial game. This has been an iconic past players day for many years, however unfortunately over the past few years numbers have dropped off for some reason to the point where the family have questioned its relevance going forward. We as a club are determined to maintain this tradition and continue to honour Graeme and his legacy. However we do need your support. As you are aware, the Graeme Wright day is played against Sandhurst on our home game, which is on the 27<sup>th</sup> of May. Please keep this day free and make an effort to come along and catch up with old mates and enjoy the day. Further information will come closer to the day.

#### 125 YEAR ANNIVERSARY

2018 will be our club's 125 year anniversary. A "125 Committee" is the planning and coordination of our 125 year celebrations next season and if you would like to be involved in this, I am sure your input would be welcomed.

This will be a big occasion for the club and will include a huge gala function midyear to reunite past players, officials, members and supporters to our great club. Look out for further details as they arise.

#### HARRY TROTT OVAL:

Just an update on the progress of our transition to Harry Trott Oval. First, we are pleased to see our new netball courts completed which look fantastic and ready to go for season 2017. Currently we are working through plans with Architects for our new Social Rooms and Change room complex which is exciting. Realistically it will be 2 to 3 years before this is built along with the extension of the ground to enable us to fully move to Harry Trott Oval, however we continue to progress in the right direction.

We will continue to play 3 home games at Harry Trott oval until we move there full time.

Our junior footballers play their home games at the venue, which is great. We are also getting a foothold into the local schools such as Kennington Primary and Bendigo South East Secondary College, with opportunities to connect with other local schools to set us up for our future junior pathway which is promising.

As you are aware our overall supporter and membership base is very small which is why the transition to Harry Trott Oval is imperative for the future viability of the club, however this is going to take several years to bear fruit.

#### CALENDAR OF EVENTS:

We have several other events planned for the year which again would be great to see as many as possible along to those, in particular the Club Ball June 17 and our Sportsman's Dinner on Saturday June 10. Also for our Life Members, this lunch is on Saturday August 5. Further details will be provided leading up to those events.

#### AFTER MATCH FUNCTIONS:

After each home match we hold the post match function and present awards in our rooms, whilst for away matches this is held at our sponsor pub, the Boundary Hotel. Naturally we would love to see you there when you get the opportunity. Also the Social club is opened up on Thursday nights for our training dinner and team announcements. Dinner is put on by the Boundary Hotel and the Bar is open. We welcome past players and supporters to drop in at any time for a drink on a Thursday night from 6.30pm.

We regard the members, supporters and past players of South Bendigo Football Netball Club as an integral part of our club and our future success.

Thanks again for your support and look forward to seeing you at the footy or netball and at some of the functions we have lined up for the year. Please feel free to contact me at any time if you have any questions or require further information regarding club matters.

Go Bloods!!  
Kind Regards,  
Rick Townsend

#### PAST PRESIDENT GETS IN TOUCH

**Picture of a picture: Max Knott's portrait hanging in the South Bendigo FNC Social Rooms**

A Past President of the Club, Max Knott, recently got in contact with our Secretary Rob Robertson through the Club's website, posting the following message.

*Greetings - as a former President, 19770/71 era I am wondering if you had a special area where you list all former Presidents. I still look in to see how the club is performing - a couple of years ago a relative David Bicknell took me to see a game which I thoroughly enjoyed. Now living in Lennox Head NSW and aged 80  
Go the Bloods  
Max Knott*

It was great to hear from Max, who was President of the Bloods from 1971 to 1973 and we sent him a photo of his portrait which hangs in the Social Rooms along with our best wishes.

## 2017 SEASON LAUNCH

The Club's 2017 Season Launch was held at The All Seasons Hotel Fernery Room on Friday 7<sup>th</sup> April. With 130 people in attendance the function was very well supported by both players and supporters alike with our good sponsors at the All Seasons providing a great venue to ensure a successful night.

Under the control of MC Garry Smith, the Bloods version of Bruce McAvaney, it was standing room only as he introduced our coaches and conducted some entertaining interviews with players.

## **SOUTH BENDIGO FOOTBALL NETBALL CLUB**

### **BECOME A MEMBER IN 2017**

Memberships continue to be an ever-increasing and important aspect of the Football Netball Club.

Our club strongly encourages all existing members, supporters, past-players and families to financially support the club and become a member in 2017 – If you love South Bendigo, we'd love to count you as a member!

Every member will receive their own club membership card which will gain them free entry into every home game as well as ½ price entry to away games.

Membership also has its rewards and a member's merchandise pack is provided to each Bloods supporter who takes out a 2017 Membership.

This year's Standard Merchandise Package, provided to all Adult, Family and Special Category members, includes a club branded bumper sticker, pen and stubby holder so you can show your support for the Bloods when you're driving, writing or refreshing.

The 2017 Full Merchandise Package, provided to all Coterie 500 Club Members and Player Sponsors, adds a Club Supporters Scarf to the standard pack.

**Your financial support via a Club Membership is as vital as it's ever been in country Football / Netball. So that YOUR club can continue to grow and prosper, PLEASE consider taking out a Club Membership package in 2017.**

Go to our website at <http://www.southbendigofnc.com.au/membership-application/> and take a look at all the 2017 Memberships options available, we are sure there will be a Membership Package just for you!

## SPORTS CHAPLAINCY AT SOUTH

Sporting communities that thrive and experience great on field success are usually built upon a plethora of people utilizing their different gifts and strengths for the wider good of that community. Chaplains have a very important role to play within all of this. They typically move around quietly in the background supporting and encouraging players, families and members of their respective sporting communities. What are they doing? They're loitering with intent as they often do some of their best work behind the scenes when no one else is watching.

Are they effective? From time to time, the work of chaplaincy is brought into the limelight due to some crisis within a sporting community. Warren Tredrea, former captain of the Port Adelaide FC and close friend of the late Phil Walsh was quoted as saying, "...*there is no one more valuable than a trusted and well-respected chaplain – a man or woman of religious faith.*" As he reflected on the passing of his good friend and the assistance that the chaplain had provided within the club, Tredrea made the additional comment saying, "*What separates Chaplains from the rest is that they often do their best work when emotions and stress is at its greatest – in love and loss.*" Sporting communities are always 'better together' when they rely on the collective skills and gifts of each person within their club.

This year South Bendigo FNC has added a new member to its chaplaincy team. Chris Thornton (pictured below with our Club Chaplain – Dave Lovell) has been around the club for a couple of years assisting with running water and serving as a team manager for the Reserves. This year he took on a role as chaplain to our juniors. Here's some background information on Chris for those who might not know him:

- Where were you born? *Born in Melbourne but lived in Perth for six years.*
- How would you describe yourself in five words? *"Always look for the best..."*
- What's on your bucket list? *I want to go to a State of Origin game in Brisbane and complete a coast-to-coast train journey across Canada.*
- Why be a Chaplain at South Bendigo? *I want to be there to help support the "Bloods" family on and off the field; to help maintain our three key points of growth, respect and enjoyment.*

Make sure you get around Chris and encourage him in his role as he seeks to encourage all those connected through our junior football.

## GRAEME WRIGHT CUP DAY

A reminder to all Past Players and Officials that the Annual Graeme Wright Cup Game against Sandhurst is on later this month, Saturday 27th May and that you should save the date on your calendar.

It's a QEO home game for the Bloods and all Past Players and Officials of the South Bendigo FNC are warmly invited back to the Club. It's a day held to honour the memory of a great clubman as well being a focus for the annual Past Players and Officials Day, providing a significant occasion for all people associated with South in days gone to come back to the good old Red and Whites.

This is a great opportunity to reconnect with the club, reacquaint yourself with some old friends and team mates while simply enjoying a great social day at the footy. We look forward to seeing you on the 27<sup>th</sup> of May

### **BLOODS SUPPORTERS SCARVES NOW AVAILABLE**

The Club now has in stock team scarfs for members and supporters.

Available from the South Bendigo Social Rooms at home games or from the canteen at Junior games it costs only \$25 to show your support for the club and wear the Red & White, while keeping warm at the same time.

## **FOOTBALL NEWS**

The football season is off and running and we wish to take this early opportunity to thank our wonderful group of support staff and volunteers. The medical team led by John Clyne would be the envy of football/Netball clubs in the district. We have very competent people dedicated to both groups. Emily, Dave, Tony and John take care of our footballers on game day and Dan and Sarah look after our netballers. Their efforts are greatly appreciated and all thank you.

The club is extremely fortunate to have a contingent of dedicated and passionate volunteers who take all types of rolls during the week and on game day. If anyone out there would like to get involved with either the football or netball group, just contact Ian Connaughton (0429 305 141) and we will find a roll that works for you. Remember, "Good sporting clubs share the load".

## **SENIORS UPDATE**

The beginning of the 2017 season has seen some exciting and very competitive football from the senior group.

The first round 13 -point loss to Eaglehawk, however disappointing, provided many positives and identified some key areas to fine tune, given we showed plenty intent, won most of the key indicators, in which we had 22 more inside 50s. To the player's credit, along with line coaches they identified the issues and worked to resolve these during the following week. Congratulation to the guys who played their first game for the bloods in Kaiden Antonowicz, Zac Hare, Tom Brereton, Regan and Brock Harvey, Best players included Isaiah Miller who provided plenty of run and drive from half back, Jacob Smythe who this season has made the transition to centre half forward, and Mitch Rogerson, who collected plenty of possessions from the wing.

Round 2 saw us travel to Gisborne, where the players were keen to overturn last year's disappointing loss. The group again brought great intensity, pressure (83 tackles) and work rate, and quickly showed their responsiveness from round 1 in which ended in a 6 goal plus win, and our first win for the season. Best players included Kaiden Antonowicz with 7 majors, Tom Brereton - who had the run with roll on ex- AFL player Clinton Young, and Isaiah Miller played through the midfield. It was terrific to see 3 wins in all football grades, which hasn't been done for some time. Congratulations to young ruckman Riley Burns, who played his first game in the red and white.

Last week, we had Maryborough at home, in which was an extremely pleasing result. From a coaches perspective it was great to see the players remain focused, and not stray away from the structures, roles and game plan, in which resulted in a very accurate 10-goal straight first quarter. It was a very well rounded 4 quarter effort and 159 point win, in which we controlled all the indicators, which included 88 tackles and a goal conversion rate of 2.3 for inside 50's. Congratulations to Mitch Goodwin from the under 18's who kicked 4 goals in his debut game, terrific effort and a player to keep an eye on in the future. Best player included Mitch Rogerson, who showed his skill and work rate again as he racked up plenty of possessions from the wing, Kaiden Antonowicz, who had a day out kicking 11 majors, and Nick Howe who almost blew up his GPS tracker with 17.3km from the back pocket.

Although it is early season, it's important to acknowledge all the hard work by the players, committee and support staff which has resulted in, for the first time since 2013 being positioned in the top 5 on the BFNL ladder and started the season with a 2-1 record. It's an very exciting time to be around such an amazing club...GO BLOODS!!!!

Brady Childs  
Senior Coach

## **RESERVES UPDATE**

The Reserves started the 2017 season in fine fashion with a win over a very strong Eaglehawk side at the QEO under lights. Jimmy Pietromonaco slotted 6 to open his account for the year. The delivery into the forward line was of a high standard and Jimmy finished off the hard work of the midfield and back line group in fine fashion.

We went into the season with a big emphasis on creating a group that worked for each and were happy to sacrifice their own game for the benefit of the group and the win against Eaglehawk showed we are moving in the right direction. Some of the better players on the night were Jayden Sheean, Jimmy Pietromonaco, new lad to South this year Cam Taggart, Seb Wild, returning to South Mitch Gardner and Mitch Hocking.

On the back of our first win the boys spent time on the track working on getting our structures right and our game plan working the way we wanted. The lads have bought into what we are trying to do as a club and hopefully the results will come on the back of this.

Round 2 saw us on the bus down to Gisborne. We kicked 4 goals to none in the first quarter and then put on another 4 goals in the second to see us up by 7 goals at half time. Gisborne fought back in the second half, but to our credit we held on for a great 21 point win. Gisborne are always a tough opposition at home so to come away with the win was a great result.

Mitch Hocking was amongst the goals with 3 for the game and some of our better players were Tom McGhee, new to South Nathan Devanny, Jayden Sheean, Mitch Hocking, Brae Mensforth and Mitch Gardner.

Our next challenge was Maryborough on the QEO. Our focus at training during the week in preparation for this game was working as a team to create pressure in our back half, which in turn creates turnovers, deliver the ball into our forward line with efficiency and then lock it in until we score. The boys started the game off a bit sluggish, but to their credit they turned it around on-field without any intervention from the side lines. This goes to show just where this group is at in terms of their on-field leadership. A willingness to work as a group to fix a negative situation worked really well. After a few tweeks the boys got over the line in what ended up being a huge win.

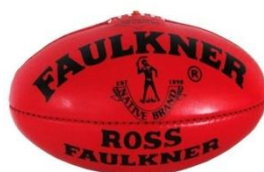

Jimmy Pietromonaco had a day out kicking 9 and Jayden Sheean chimed in with 3. The other big news for the day was big Daniel Johnstone kicking 3 goals in his first game as a Blood. In the best players were Jimmy Pietromonaco, Nathan Devanny, Josh Thurston, Jake Connaughton, Jayden Sheean and Charlton Hindle.

At the end of round 3 we sit 1 game clear on top of the ladder. This is a great result for the boys and we have now started work on our trip to Castlemaine this week for another game under lights.

On a personal note I would like to thank everyone that has helped in the past week. The help and support I have received over the past couple of weeks from all areas of the club has been fantastic. Having spent time with a few footy clubs on many different levels I have never come across a club that is so willing to help each other out, on and off the field. That is not only players and coaches, but everyone that is involved in making things happen.

Thank you!

Dan Farrelly - Reserves Assistant Coach

## MATCH DAY FOOTBALL FOOTAGE NOW AVAILABLE

The **Bendigo FNL** in conjunction with **Red Onion Creative** will be filming Senior Football matches in 2017. Each match or the designated match of the round will be professionally filmed and made available post-match every weekend.

All matches are accessible for viewing Red Vision Portal linked to via [www.bendigofnl.tv](http://www.bendigofnl.tv) and it is strongly recommended that matches being viewed should be played through VLC Media Player.

So if you can't make it to the game here's your opportunity to catch up with some Bloods action

## BFNL INTERLEAGUE SQUAD NAMED

The Bendigo Football Netball League recently named its Senior Training Squad for the upcoming interleague clash against Ballarat at the QEO on Saturday 3<sup>rd</sup> May.

Congratulations to South Bendigo Kaiden Antonowicz, Liam Bartels, Isaiah Miller and Kieran Strachan on being selected in the Squad.

## **JUNIOR FOOTBALL**

As this report goes to print so to speak we have already started the 2017 Season with a bang both on and off the field.

Our U16 squad has been training hard under Peter Tyack and Mick Easton. Peter and Mick have worked hard on building a great list for the 2017 with the boys generally training as a squad. No doubt there will be plenty of movement between the Seniors and Reserve with so many talented players on our list. It was a great pleasure at our jumper presentation night to not only see a bunch of players who have been with the Bloods since U9 but also several players new to the club. The U16 Seniors were lucky enough to enjoy the opportunity to play as a curtain raiser at the QEO last Saturday. A successful day on the pitch was capped by a great opportunity to join the rest of the squad in the change rooms as guests of the Senior squad and Coach Brady Childs.

The U14's group is certainly enjoying training and playing under Coach Anthony Purcell. A win in their first game has helped cement Anthony's ethos of "pass to the jumper". The boys are regularly reminded to reward their team mate who has worked to get into the best position with a well-placed pass of the footy. The boys are a well-disciplined side who will continue to grow and develop as the season progresses.

Our U12 group is made up of predominantly bottom age players and are still feeling their way during grading of the 34 teams. Coach Dan Wright has the team working hard on their basic skills and hopes to have the group firing by the end of the grading period.

This weekend will be the first round of the U9 and U10 competition and for the first time in a few years South will field teams in both age groups. There is nothing quite like seeing the youngest of our footballers enjoying the game in its simplest form. Club stalwart Nev Clark will be at the helm and I have no doubt the fundamentals will be drilled into the future stars of South Bendigo.

The incredible rise in the general popularity of girl's football has now officially affected the Bloods. After a difficult first season Emma Tomlins and Maddie Townsend are reaping the reward of their hard-work and commitment for female football. The 2016 season saw a small but passionate group of girls struggle to get the minimum number of players for games most weekends. Thankfully the word has got out that "The Bloods" have such a wonderful group of girls and we have exploded into a full 24 girls squad who have now won their first two games of the season. The steadying hand of Mark Taig has helped complete a coaching group that will no doubt lead the girls into a very successful season both on and off the pitch. The saying "from adversity comes opportunity" seems to fit this exuberant group.

Off the pitch much has been achieved, McDonald's and Fantastic Furniture continue as major sponsors while further sponsorship from Steamatic and Bendigo Coachlines have allowed us to supply every player with a SBFNC branded red sports bag. We have also purchased a new coaching mat to help players to visualise field position and team tactics along with boxing gloves and pads for fitness work.

SBFNC have been successful in gaining 3 different government funded grants. The first has funded a defibrillator for Harry Trott. Let's all hope it never needs to be used!! The second will provide us with 30 or so new Netballs while the third has given us access to nearly

\$1000 towards coaching development. The grant applications are a time-consuming chore so a big thank you to Siobhan Tawton who has done the leg work for these.

Speaking of a "Big Thank You". Next time you see an injured South player being treated say a little thank you to Rolf Lau who refurbished all our first aid kits for the season. Another of those thankless tasks that must be done. So, from all of us... Thanks Rolf you're a champ.

## YOUTH GIRLS FOOTBALL

In the first round of the season our girls played North Bendigo  
There was much hype amongst the group leading up to this game with the girls training well under the guidance of an experienced Mark Taig (who has stepped up to help coach and run training sessions) and looking forward in putting their new skills to work in a game

They certainly did that plus more; the girls shepherded and really played as a team, giving off hand passes and not just throwing the ball onto their boot and hoping for the best. The performance was rewarded with a 100 plus point win over North and the club song was sung in high spirits. Admittedly we still have some work to do in getting all the words right 😊

The squad has a full list of 24 and are super excited for the year ahead
