

NEWS LETTER OF THE SOUTH BENDIGO FOOTBALL NETBALL CLUB

October 2017 Edition

Welcome to the October edition of "Blood Lines". The intent of the Club's newsletter is to keep members, players and supporters informed about what's happening at South by recalling the highlights of the month just passed and informing on what's coming up in the month ahead.

If there are any other areas or aspects of the Club that you would like to see us cover please feel free to submit your suggestions via a return email.

125 YEAR CELEBRATIONS

CALL FOR VOLUNTEERS FOR 125 REUNION COMMITTEE

We are seeking interested people to help organise & coordinate the 125 celebrations. Past football & netball players, ex-committee members or any other interested supporters needed. It would also be nice to have people from across the decades, i.e. the 60's, 70's etc through to the current era.

Initially meetings will need to be held monthly, then on a fortnightly basis as the event draws within a couple of months, culminating in weekly meetings from June onwards. Ideally 6 to 8 people would form the committee and be able to help in the organisation of this significant event.

If you can help please contact Stephen Dean on Mobile 0437 299063 or at msdean@bigpond.com

CYCLING CHAPLAIN

Club Chaplain Dave Lovell, who normally provides an article for each edition of **BLOOD LINES** is currently cycling across Australia, from Bunbury to Bendigo along with a group of 25 other cyclists, including his son, in what's been dubbed the MAD Ride. They are raising funds for a local charity in Bendigo called MADCOW (this stands for: Make A Difference Change Our World). Their aim is to raise \$50,000 for people of all descriptions in Bendigo who are feeling disadvantaged and marginalised within our own community. You can check out what Dave and his son are doing to make a difference by going to www.madcow.org.au

On the road and not able to write a piece he sent us this little up date

"I'm halfway across Australia on Mad Ride so will let this one go. Just 11 more days until I'm home. All going well but body is feeling tired now. 175 KM's a day is taking its toll. Our rest day at Streaky Bay on Saturday cannot come fast enough but donations up to \$60,000. Amazing.

NETBALL NEWS

Firstly, a big congratulations & pat on the back to everyone involved in our senior netball department for another successful season. The improvement & strength showed this past season is outstanding & everyone involved should be extremely proud.

Benita had a great season with our A Squad - A Grade finished the season sitting 7th on the ladder with 7 wins, 11 losses. A massive improvement from the 2016 season finishing 9th with only 2 wins.

A Reserve just missed out on playing finals by only 2 points, the girls had a great season with some fantastic wins against the top 5 sides.

Kez had a great season also with the B Squad girls – B Grade having a really strong season playing their way through to the preliminary final but unfortunately, they were defeated by Eaglehawk by 2 goals in the dying minutes.

B Reserve had an up & down season on court with some great wins along the way, unfortunately the team was rocked with multiple injuries & played their final Round 18 game with only 5 of the original selected players with some of our Under 17's girls getting the opportunity to step out on court.

Liz took on our newly introduced Under 17's Development team along with our Under 17s.

The Under 17's girls had a big season with some fantastic hard fought wins on the board just missing finals finishing in 6th position on the ladder. With a few player adjustments due to injuries the girls settled in & played some great netball, it's exciting to know these young players can come up through the ranks in the years to come.

The Under 17's development team also had a tremendous season, they played their way into the gran final in the BSNA completion & took court against Sandhurst, the girls were strong for a full 4 quarters & came away with a 4 goal win.

Congratulations to our 3 senior coaches for a great season & all their hard work on & off the court and a HUGE congratulations to all of our players for their efforts & hard work in our 2017 season.

LEAGUE BEST & FAIREST

CONGRATULATIONS to our B Reserve defender Emily Bakes on the BFNL League Best & Fairest Runners Up Award.

Emily had an absolute stand out season being a powerhouse of defence for our B Reserve team, well done Emily, very well deserved.

Janelle Hobbs appointed South Bendigo director of coaching and A-grade Coach

SOUTH Bendigo has landed an off-court coup, with two-time BFNL premiership coach Janelle Hobbs moving to the Bloods.

Hobbs, who led Kangaroo Flat to A-grade flags in 2014 and '16 and a fourth-place finish this season, join the Bloods in the dual roles of director of coaching and A-grade coach. She will oversee a freshened coaching panel that includes assistant A-grade coach Tara Everist (A-reserve), Kiralee Beachem (B-grade), assistant Bree Nalder, Stacey Kingdon (B-reserve), Liz Taylor (17-and-under) and assistant Emily Cossar.

The Bloods had their best A-grade season in several years in 2017, under former coach Benita Swatton, and finished in seventh place with seven wins and 11 losses, half a win shy of Strathfieldsaye in sixth position. Their best win of the season came against Hobbs and Kangaroo Flat by three goals in round nine.

South Bendigo netball operations manager Melissa Dillon said the club was excited to have someone of the calibre of Hobbs as coach of the club. "The club has worked really hard in the last couple of years to really hone in on our club structures – not just from a playing point of view, but a coaching point of view," she said. "Our vision is starting to come to fruition.

"Obviously with Janelle's expertise and experience, we think as an A-grade coach, we need to let our players have the opportunity to develop under someone like her."

As the club continues to plan for an eventual full-time move to Harry Trott Oval and with a near entire new playing group leading the Bloods to their best finish to a season in at least four years, Dillon said there was plenty of excitement around netball at South Bendigo.

"There was only one A-grade player from last year, so there was a big change within the squad," she said. "Janelle has obviously seen there has been that improvement – hopefully she can take that to that next level. "She sees real scope for improvement, not just in A-grade; there are a lot of players fighting for an A-grade spot."

Hobbs, who joined Kangaroo Flat in 2012, previously led YCW to seven Loddon Valley league grand finals across a number of grades and has regularly been coach of North Central netball region teams.

As the length of her tenure at both clubs indicated, Hobbs said the decision to switch clubs was one she had not taken lightly. "I really loved my time at Kangaroo Flat, but after six years I thought it was time for another challenge and the director of coaching of role combined with A-grade coach suits me down to a tee," she said.

"I'm super excited – it's like I have a new lease of life. "I'm not one who will swap clubs a lot – the ones I have been at I have been there a long time. "Once we put a program in place, I like to see that through - hopefully we can get the success.

"That has happened in the past, so I am hoping with all these other coaches on-board, we get South up there in BFNL netball. "Our aim to is to make South a destination club."

JUNIOR NETBALL

2017 BSNA Winter Season

The 2017 BSNA Winter Season was a very successful one for the South Bendigo Junior Netball Club – winning the Section 1A premiership and finishing runner's up in four other Sections. It is remarkable to think how far all our teams have come this year and we are very proud of all our players and coaches and how hard they have worked to improve and develop their skills and to be the best that they can be – congratulations to you all!

End of Season Presentation Night

The Junior Netball Club held its Presentation Night at the QEO Club Rooms on Wednesday 20th September. It was great to see so many of our families come together to celebrate the 2017 season and what it means to be a part of the South Bendigo Football Netball Club family. We were very lucky to have Amy Morrissey from the senior netball division join us who shared her Club story with us and what it means to her to be a 100-game player for South.

On the night, Awards were presented to players in the following categories:

- Coach's Award / Most Consistent Player Award – this award was voted on by the coach and team manager for the girl who showed the most commitment, motivation, enthusiasm and effort over the season
- Best and Fairest – this award was based on the season tally of votes awarded by the opposition team to the three best players in every game
- Player's Player Award – this award was voted on by the players for the girl in their team who they believe exhibited the best team spirit and values

Well done to all the girls for the way they represented the Club this year and our sincere congratulations to our very deserving award winners:

2018 BSNA Winter Season

Yes, it's hard to believe that the 2017 Winter Season is barely behind us and we are already busily planning for next year! We will shortly be calling for expressions of interest for coaching positions and setting dates for player registration and try-out days. We have already had a number of new players express interest in playing with South Bendigo next year and we look forward to a long and rewarding association with all our families – both new and current.

BFNL end of season review

Luke West Bendigo Advertiser 1 Oct 2017,

EVASIVE: South Bendigo's Isaiah Miller in action against Golden Square in round 16 - the day he suffered a season-ending kidney injury.

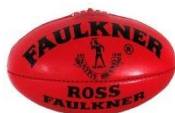

CLUB by club review of the 2017 Bendigo Football-Netball League season.

6th – South Bendigo

A season of big improvement for the Bloods, but they ultimately couldn't go the distance and crack it for a finals return for the first time since 2012.

Suffered a massive blow in round five when an ankle injury ended the season of their star recruit Kaiden Antonowicz, yet he still finished as the Bloods' equal leading goalkicker with 29, despite only playing four-and-a-bit games.

Following a year sidelined luckless coach Brady Childs suffering another ACL injury, a broken leg to Joel Swatton and ruckman Kieran Strachan's ankle injury also eventually took its toll on the Bloods, who after one stage being 9-4 lost their last five games to finish sixth.

SENIORS UPDATE

The 2017 season may be over but a lot of work has continued through September with the catering for the finals, preparation for the Best and Fairest Awards and recruitment for the 2018 season.

Firstly, congratulations to Mitch Rogerson on winning the senior best and fairest. Rogo had an outstanding year where he consistently performed playing off the wing and racked up plenty of possessions. It was pleasing to see Rogo win given that at one point in the preseason it looked as if he would miss the season through injury. Great work also to Isaiah Miller on coming Runners Up. Issy had a great year, where he played more through the midfield and troubled many opposition with his running game and elite skills.

I'd also like to congratulate all other winners for their terrific seasons, the entire club has really made a huge improvement across all football and netball grades, which is reflective of all the hard work by players, coaches and committee – well done everyone.

The 2018 senior coaching group has now been finalised, and I'd like to welcome Kaiden Anotonowicz who will join Julian Lake as my assistant coaches. We will again be joined by Marcus Smalley and John Hardinge as line coaches.

I'd also like to congratulate Jacob Smythe and Dan Farrelly on their appointment as Reserve Co-Coaches. Dan will also continue in his Fitness and Conditioning role, which he has done so successfully over the previous three seasons. Smythie and Dan will complement each other well, and do a terrific job in leading the reserves in 2018. I look forward to working with the both of you.

It's also terrific to have Neil Torpey back on board for his third season as the Under 18s coach. The young group is again in great hands, as Torps showed this year his ability to develop the guys through the implementation of an exciting game plan, while also building a great team culture.

Recruitment is well underway for the 125th anniversary year, which it's great to see that already 80% of the 2017 senior list have recommitted, while a number of top age Under 18s have also committed. The club is working extremely hard in its strategic recruitment to bring in a small number of players in which to complement the 2017 list, and fill some key positions. I'd like to use this opportunity to welcome two new recruits for season 2018 in; Lachlan Furness from White Hills FC, a young small forward/mid who this year represented the Heathcote District FL at Inter league level, while we have also signed Callum Crisp, a

young 200cm Ruck/Forward, who played this season at Wedderburn, but previously played for senior footy at Myrtleford in the Ovens & Murray FL.

Following the 2017 results with strategic recruitment and continued development in the recommitted 2017 group, it's easy to become excited for season 2018.

Thanks again for everyone's support for the past season, and I look forward to seeing you all, working hard and celebrating the clubs 125th anniversary in what I know will be a very successful season across the entire club.

Go Bloods!!!

Brady Childs – Senior Coach

RESERVES UPDATE

This is my last chance as a coach, so forgive me if this is a lot of acknowledgements and thank you's.

Can I firstly congratulate all football and netball sides in the way they've gone about it this year. The culture that exists on and off the ground is wonderful and in particular a pat on the back for sides that represented the club in the finals.

The Reserves did play in an elimination final but were beaten by a better Gisborne side on the day who had qualified a heavy senior contingent. The ever-growing list of serious injuries during the year did take a great toll across both senior grades and left both the sides decimated. I couldn't be prouder of all our footballers and in most seasons the Reserves 13-5 win-Loss season result would've earned our guys a double chance. The gap between us and the eventual winners was very narrow as was acknowledged in the Cup acceptance speeches.

Congratulations to Nath Newlan who only arrived at the club in round 9 and played 2 senior games but still managed to win our club Reserves B&F. He's a talented youngster that along with many of our Reserves are only a full and good pre-season with the club away from being senior regulars. It's a testament to the evenness of our Reserves side in that the top twelve in the B&F had only a single vote card separate them. Congratulations big Jim Pietramonaco who lead our club and came forth in the league goal kicking with 43 from his 15 games and drew as our B&F Runner-Up with club favourite son and Reserves Captain Tim Arnold whose aggressiveness, consistency and leadership is something very special,

that he and the club can be very proud of and that I personally have been extremely grateful having his support.

Dan Farrelly who is the club's fitness coach came on this year in an additional role as co-coach to assist me and for his own development. He is an absolute ripper, his commitment to the guys and willingness to take on every and anything is a testament to his metal as a person. He played games initially just to help us but finished 4th in our sides goal kicking. Personally, I can't thank him enough and it's great that he is doing it again along with Jacob Smythe. These two blokes are highly respected and understand what it will take to make that next step with the rest of the coaching staff to go the whole way as a club and I couldn't be happier with these appointments.

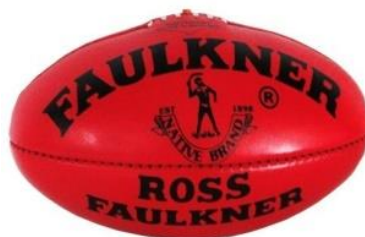

Thank you to Rick and Ian who appointed me and thank you to them and the full committee at South for supporting Dan and me. Again, congratulations as a committee in creating a template for success and giving the coaching staff and club the tools needed.

I've really enjoyed the inclusion of Marcus Smalley and Johnny Hardinge. Brendan Francis is a very inciteful man and the perfect fit as chairman of selectors. Brady and Jules are both awesome blokes and a great combination as coaches whose growth and knowledge has been rapid and significant in the last two years. They are developing a style and culture that will hold up in finals and I really feel that next season in the clubs 125th year that something special is brewing.

Lastly to all the guys I've had the good fortune to meet and coach over the last two years...your opportunity in footy is still come! You are so close...if you expect a little more of yourself and your team mates and choose to earn and be successful, then it is yours for the taking. I have had some amazing and unique opportunities in my life and being involved at South has definitely been one of these. I've always loved footy and I've had a ball coaching Resi's at South so thank you to all. I'll still be on the side lines cheering the footballers and netballers on.

GO BLOODS!!!

Bryce Balsillie & Dan Farrelly.

JUNIOR FOOTBALL

Well another season is done and dusted and what a great season it has been. Who would have thought at the start of the season we would have 3 sides play finals football, one miss out by just one game? Two sides made the Grand Final and we have one Premiership. Our most successful season in years!!!

Our Auskick program continues to run on a Sunday morning at Tom Flood Sports Centre and was again organised by tireless Natasha Rowe and Nev Clark. Certainly, the highlights were several trips to Melbourne to play at Half Time on the MCG. I must say it sounds like the parents were more excited than the kids to play on the MCG in front of 90,000 Richmond supporters for the game against GWS.

Our U9/U10 group has grown in numbers thanks to the tireless work by Nev Clark and Natasha Rowe. This is the first year that we have fielded sides in both U9 and U10 age groups for several seasons. Although the games are not considered competitive at this age level there is no doubt our boys and girls acquitted themselves well on the field and most importantly continued to develop their skills for next year. A big thanks to Jason Mitchell for helping on the coaching side of things each week and team manager Dustin Lavery.

Our U12 side was coached by Dan Wright with assistance from John Baralari. James Forsyth kept everyone inline, organised and runs a professional ship on the management side of things. The improvement in these boys from round 1 to the end of the season was amazing. We certainly didn't expect to play finals at the end of the first half of the season. However, some great coaching and development from the players saw them make it into the finals losing to Golden Square by a few points only weeks after a 60 point loss to the same side. No doubt we earned our spot and proved we deserved to play finals footy.

Anthony Purcell took on the role of coach for our U14 Reserves side and did an outstanding job at building a team that worked hard for each other. After going most of the season undefeated we hit a few bumps through a combination circumstances beyond our control in the last round and the start of the finals. To the team's credit they put this behind them to win a thriller over Sandhurst and earn another crack at Huntly in the Grand Final. The loss of Fraser Ross to a back injury at the beginning of the match, a broken nose to Riley Tawton in the first quarter and Jack Hopley battling thru the game with a broken finger certainly didn't help. The boys should be very proud of their efforts against a much bigger side in losing by 14 points after leading in the 3rd quarter.

The U14 side had a fantastic year and there is no doubt that having an active and engaging parental groups makes the season that much more enjoyable. Thanks Anthony, manager Neil McArthur and the extensive list of parents that helped.

Our Grand Final winning U16 reserves side..... Do I need to say anymore.....? Well done to the three Micks and Tim Shannahan they couldn't have done it without you. Also thanks to a great parental group who always put their hand up to help. Coach Mick Easton played a total of 31 players in the Reserves side thru the year as we gave many players the opportunity to play Senior football. Look out 2018 as this group moves into Senior's. A special mention to Jesse Baralari who was the unlucky one to miss out on a spot in the Grand Final team. Thanks Jesse for your fantastic attitude and team support.

Peter Tyack took on the role of coach for our U16 Seniors and worked hard to bring some new players to the club to add some depth to a young squad that fielded a lot of bottom age players. The team tested itself against the best in the league and can be proud of their efforts. We look forward to seeing the top age boys trial with our U18 side next year in what is shaping as a very competitive squad.

The end of the season can't go by without acknowledging the U16 team manager Rob Robertson. Robbo has been a tireless worker for the Junior Division over the last 7 or 8 years along with his role on the club executive. His passion for SBFNC and the countless hours he has spent doing all thing Junior football are a credit to him. THANKS ROBBO.

The Graeme Wright Memorial Award was presented to Connor Robertson. We believe Connor is the first and only player to have played 150 games for the junior division. Connor was runner up in the U16 seniors Best and Fairest. Even after his own team finished the season Connor attended all the U16 Reserves training sessions and helped man the scoreboard during the Junior Finals. Congratulations Connor on at great Junior career and we wish you all the best as you head to Senior football in 2018. Connor is a shining example of what we stand for as a club both on and off the field.

2018 will be a huge year for all of us at South's. The club celebrates its 125th year and we have planned several events as part of the celebrations. We expect to have two U16 and U14 sides with both age groups competing in the senior division. U15 girls will kick off as a feed into our U18 girls football. While our Aus Kick, U9, U10 and U12 age groups look set to continue to grow as we become a destination club.

Finally, a huge thanks to the tireless Junior committee of Mick Sheill, Lisa Douglas, Carolyn Ross, Natasha Rowe, Siobhan Tawton, Dustin Lavery, and James Forsyth.

Anyone interesting in having an active part of the Junior division in 2018 be that coach, manager, committee or in any other capacity please feel free to contact Gareth Tawton on 0418 482 342.

THE BLOODS ARE ON THE MOVE

YOUTH GIRLS FOOTBALL

Our U18 girls side could hardly field a team in 2016 but thanks to the driving passion of Emma Tomlins and Maddie Townsend we started the season with a full list. Who could forget the cheer when the girls won their first game. Mark Taig stepped in and helped out with a 3 pronged coaching group while Lee Taig continued in her role as Manager. The girls just missed out on finals by one game but most importantly had another wonderful year of growth, development and fun. We look forward to expanding girls football next year with an U15 and U12 girls side.
