

NEWS LETTER OF THE SOUTH BENDIGO FOOTBALL NETBALL CLUB

September 2016 Edition

Welcome to the September edition of "Blood Lines". The intent of the Club's newsletter is to keep members, players and supporters informed about what's happening at South by recalling the highlights of the month just passed and informing on what's coming up in the month to come.

If there are any other areas or aspects of the Club that you would like to see us cover please feel free to submit your suggestions via a return email.

LIFE MEMBERS LUNCH

A most successful Life Member's Lunch was held in the Social Rooms on Saturday August 13th. A good crowd of around 70 Life Members and guests gathered to enjoy the luncheon, catered for by our good sponsors, The Old Boundary Hotel.

Over the years the club has awarded a number of Life memberships however we have been somewhat remiss in not provided those recipients with a Life Members badge. Following a great deal of diligent work by former Secretary Gary Smith we were able to identify those that had not been recognised with the presentation of a medallion.

After a warm welcome and introduction by President Rick Townsend, Gary Smith called up each of those in attendance to be presented with their Life members badge by the Club President.

The following South Bendigo Football Netball Club Life Member medallions were presented during the luncheon:

- 1990 - Mal Balnaves (accepted by Tania Balnaves), Tony Gundry & Graham Moore
- 1992 - Phil Armitage
- 1993 – Tony Power & Peter Tyack
- 1994 – Robert Bakes,
- 1995 - Mary Bakes
- 1997 – Steve Young
- 1998 – Robin Breheny, Noel Bruhn, Dean Pieper & Norm Symons
- 1999 – Kerry Cranage
- 2000 – Shane Dole & Mick O'Connor
- 2001 – Les McMurray, Irene McMurray and Steven McMurray (accepted by David McMurray) Warren Roberts
- 2002 – Andrew Barrett
- 2004 – John Stewart
- 2007 – John Hardinge
- 2008 – Gary Westcott
- 2009 – Neville Clarke, Ryan Connaughton & Justine Fitzgibbon (accepted by Ryan Connaughton)

2010 – Marianne Barrett & Ruby Walker
2012 – Brian Clapham
2013 – Rick Coburn & Gary Smith
2015 – Adrian Pearson

South Bendigo Junior Football Club Life Memberships were presented at the lunch and it was great to see the Under 14's team in attendance to view and acknowledge the presentations, in particular to their coach Peter Tyack. Medallions were presented to: Tania Balnaves, Bruce Connaughton, Garry McGrath, Graeme Mitchell, John Olver, Peter Somerville and Ken Westhead.

Due to some other commitments, including in many case game day roles at the club, there were a number of Life Members unable to attend the lunch and so there was also a smaller but no less significant presentation of medallions at the after match function. Presented Life Member Badges at this time were:

1989 – David Ivey
1990 - Steven Hoiles
1991 – Brendan Francis
2000 – Ron Hiatt
2009 – Julian Lake
2015 – Emma Tomlins (who also accepted for Doris Trelfall & Joyce Wright both 1991 and Trevor Wright 1993)

The day was rated as a success and enjoyed by all in attendance. It is anticipated that the Life Member's luncheon will become an annual feature in the South Bendigo Football Netball Club social calendar

1956 PREMIERSHIP REUNION

Held in conjunction with the Life members luncheon was the reunion of the 1956 Premiership team.

It was an absolute honour to have these legends from the club's greatest era back at the club. We were privileged to have 9 of the past players from the side that ran out 60 years ago to beat Eaglehawk by 10 points and make it three in a row for the Bloods in attendance on the day.

The introductions were amazing; Life Member, 2 time Best & Fairest and 5 time Premiership player Frank Lenaghan; Life Member, 2 time Best & Fairest and 3 time Premiership player Ron Monro and on it went.

In a quiet understated way Frank Lenaghan summed up how good the 1950's sides were when, talking about his recollections of the era, said "We made the Grand Final in 1949 before going on to win it in 1950 and '51. We then went a little bit quiet for a couple of years, although we did make the finals, before winning it again in '54, '55 and then in '56 which is what the day's about".

If you do the math, as the saying goes, that's 8 consecutive years of finals football for 6 Grand Finals and 5 Premierships. A remarkable run of success for a side playing in a major country league.

It really was a pleasure to chat with all of the past players about those great years and almost to a man there were two common threads in all of the conversations. That as a coach Alan McDonald was ahead of his time, introducing a game plan built around specific roles for players and that Frank Lenaghan was without a doubt, considered one of the best players that they had ever had the pleasure of playing with.

Another highlight, on a day of highlights, was the presentation of Bill Foley's 1956 South Bendigo Football Club blazer by his brother Kevin. Bill was a premiership player in the 1956 side and it was a lovely gesture by his family. The blazer will be framed and hung in the Social Rooms both in memory of Bill and as a memento of one of the great periods in the Club's history.

Apologies were received from Lloyd Jones, Alan Dare and Cress Thompson all of whom were disappointed they were unable to make it on the day

\$5000 DRAW

The club ran a “\$5000 Draw” as our major raffle in 2016. A big thank you must go to Brad Wright, Nick Howe and Sarah Nash for their organisation and hard work to make one of our annual major fund raising efforts such a success.

The top 3 prize winners in the Clubs \$5000 Draw were presented with their cheques at the Clubs Life Members Lunch in the Social Rooms on Saturday.

Congratulations to all the winners and a big thank you to all who supported the club through the purchase of a ticket.

The full list of prize winners were:

First 5 x \$100 draws: Tammy Blakley, Kate Sertori, Laura Valentine, Alan Ellis and Wendy Chisari.

Second 5 x \$100 draws: Liz Laurie, Kim Childs, Carli Spence, Chris Stanway and Jess Trottman

First \$1000 draw: Brayden Torpey

Second \$1000 draw: Brendan Webb

\$5000 draw: Deanne Miles

Thank you everyone for your support.

President Rick Townsend presents Deanne Miles with the cheque as the winner of our \$5000 Major Raffle Draw

HARRY TROTT OVAL UPDATE

Work continues to progress on the new netball courts at the Kennington Recreation Reserve. A good deal of work has gone into the earthworks to consolidate the base on which the courts will be laid.

Extensive foundation works have also been carried out in laying the concrete footings for the perimeter retaining wall and the light towers. Trenching and the laying of power cables to the lighting towers have also been completed.

We look forward to the 2017 season when both our netball and football teams will be able to participate in home games played at the Harry Trott Oval.

Sports Chaplaincy @ South Bendigo FNC

It's hard to believe but the arrival of spring reminds us that football and netball finals are just around the corner. How exciting it is for South Bendigo to have our teams playing in the finals this September. Go Bloods!

The end of another season always brings with it a mixture of emotions. There is the genuine sense of excitement for those in the club who are playing in finals and yet at the same time, it can be incredibly disappointing for those that have worked so hard and find themselves missing out once again. For others, there can be a great sense of anticipation around end of year celebrations and a break from the weekly grind of training and yet at the same time, it can be a time of loss as mates go their own way or leave the club for other aspirations. We look forward to September and yet it can be such a strange time of the year.

I've been around the South Bendigo Football / Netball Club for two years and the one thing I've noticed in that time is that there is a rich sense of community that exists between all involved. Some great people lead this club and part of my role, as a chaplain is to provide genuine support and care. Chaplains often go unseen. It's what we do best. But we are always available at the critical moments offering support, advice and a listening ear.

Let's make sure we look out for one another over the next couple of months until preseason starts again. There is a good sense of mateship at South Bendigo so let's continue to take care of one another until we are back at training again.

If anyone needs a chat I can always be reached on 0408 413 026.

Loitering with intent...

NETBALL NEWS

200 GAME MILESTONE

Congratulations to our life member & club legend Emma Tomlins on playing her 200th game in our B Grade team in Round 18 VS Maryborough. What a great way to end the home & away season for Emma & her team mates with a convincing 63 goal win over Maryborough.

IT'S FINALS TIME

Congratulations to both of our B Grade & B Reserve teams making finals this weekend.

B Grade finished off 4th on the ladder & will play in the Elimination game this SUNDAY 4th SEPTEMBER, 12:40pm at the QEO

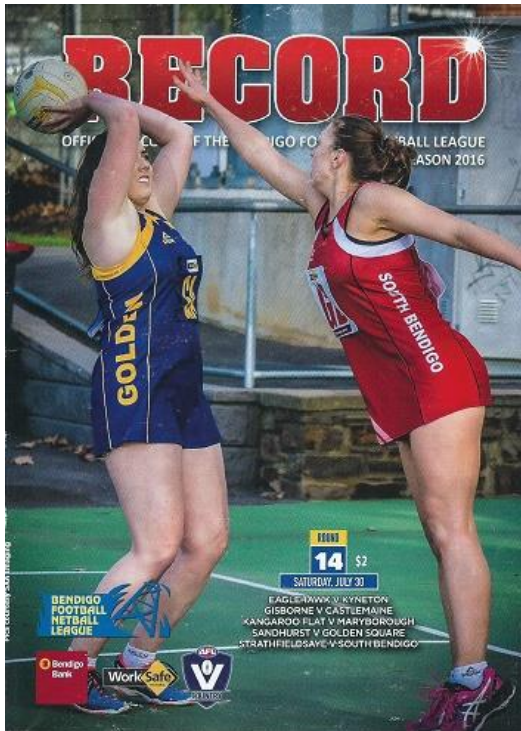

B Reserve finished off 2nd on the ladder & will play in the Qualifying game this SATURDAY 3rd SEPTEMBER, 2:20pm at the QEO

We'd love to see as many South Bendigo FNC supporters on the sidelines in their Red & White to support these girls through their finals campaign, so clear your calendar & make your way down to the QEO Netball courts.

Well done to all of our other Netball players on your efforts for our 2016 season, we look forward to seeing you all again in season 2017.

JUNIOR NETBALL

BSNA Finals

Our **Section 3B Silver Team** proudly represented the South Bendigo Junior Netball Club in the BSNA Semi-Finals on the 27th August. The girls played Storm Flash and, while they didn't perform to their usual high standard and went down 9-27, had an enjoyable and rewarding season. Congratulations girls on your great effort to make the finals!

Grade 6 White Team

The **Grade 6 White Team** celebrated the end of their season with a victory in their last game on the 20th August. To celebrate, the girls headed off to Grill'd after the game to enjoy a social lunch and some fun time together!

The White Team had a great year playing with the South Bendigo Junior Netball Club and is very much looking forward to training together with the other South Bendigo teams at Harry Trott in 2017.

Bendigo Junior Football League Finals

The Junior Netball Club was very happy to be invited to help the Junior Football Club host the first two weeks of the BJFL final series by providing gate-keepers. The junior netballers and footballers look forward to more interaction in the future and to building on their relationship so they can establish a strong family focused and values-based culture for the SBFNC Junior Division.

Netball Clinic with former Australian Diamond

We are very happy to announce that former Australian Diamond and long-time ANZ Championship player, Demelza Fellowes, is coming to Bendigo to run two **netball clinics** for the South Bendigo Junior Netball Club!

Date: Sunday 11th September
Venue: St Kilian's Primary School, Havelock Street
Time: Clinic 1 – 10.30am-12.00pm for Primary School age children
Clinic 2 – 1.00pm-2.30pm for Secondary School age children
Cost: \$25 per person

End of Season Presentation Night

The Junior Netball Club will hold its Presentation Night at the QEO Club Rooms on **Wednesday 14th September**, starting at 6.30pm.

Awards will be presented to players in our seven teams in the following categories:

- Coach's Award (Grade 6 Team only)
- Best and Fairest (all other teams) – this award is based on the season tally of votes awarded by the opposition team to the three best players in every game
- Player's Player Award (all teams) – this award is voted on by the players for the girl in their team who they think exhibits the best team spirit and values
- Most Consistent Award (all teams) – this award is voted on by the coach and team manager for the girl who has shown the most commitment, motivation, enthusiasm and effort over the season

AFL Central Victoria 13/U Netball Tournament

The Junior Netball Club will be entering a team in the AFL Central Victoria 13/U Netball Tournament being held on **Friday 30th September** – Friday before the AFL Grand Final public holiday. The Tournament is being held as part of a bigger AFL Finals Football Festival. The day is expected to consist of Premiership presentations to the winning Loddon Valley, Heathcote and Bendigo League teams, a possible TAC Cup Game, Auskick, kids zone with rides, etc. – it should be a fun day for the girls taking part!

Bunnings Fundraising BBQ

The Junior Netball Club will be at Bunnings Kangaroo Flat on **Saturday 1st October** between 9.00am-4.00pm. This is a fabulous opportunity for the Club to lift the profile of the Junior Netball Division and raise some money along the way. If you are feeling restless before the first bounce of the AFL Grand Final – or if the game looks like it is all over by half time – please call in to Bunnings to say hi and buy a sausage and a drink.

2016 Twilight Netball Season

While netball may be over for the year some of our players, a number of girls are staying on to play Twilight Netball. The season starts on **Thursday 6th October** and runs until Thursday 24th November - with the Thursday after reserved for finals games.

Dependent on numbers, we expect to field teams in the Primary Grade 5-6, 13/U, 15/U and 18/U Divisions.

Team run-around

It's not all about the netball! The **Section 3B (Reserve) Purple Team** celebrated Portia's 17th birthday with a cake (and some chocolate frogs) after their game on the 13th August! The girls were generous enough to leave some cake for the grown-ups – thank girls!

The **13/UB Red Team** took some time out for a photo shoot after their game on the 13th August – looks like they had fun! Thanks for sharing these happy-snaps with us girls!

FOOTBALL NEWS

Seniors Report - Brady Childs

I take this opportunity to firstly thank all the supporters, sponsors and volunteers for their contribution and support in season 2016. Secondly, great work to all the players on a terrific year, you have all shown great commitment and professionalism in season 2016 and have worked extremely hard as we continue to build.

The seniors finished off the season on a high with 3 consecutive wins, which was the first time since 2013, and is exciting for the club as we continue to build our new culture which will yield success into the future. As the year progressed the seniors continued to improve each week, as individuals we continued to develop and grow confidence, while the team continually improved their ability to maintain focus and commitment to the game plan across four quarters, which is gaining respect from opposition clubs.

Congratulations to Ben McKinley who was the 5th under 18s player this year to make his senior debut, in which he played a key role in the win and kicked two goals. Again, it is extremely exciting to see the amount of young talent that is currently in the club, which will be the platform for improvement and success as they continue to develop as senior footballers.

It has been a very exciting and rewarding period in my first year as senior coach, as we have seen so much improvement through the football department in all three grades. As season 2016 comes to an end, the wheels are already in full motion for season 2017 with re-commitment of all three coaches, re-signing of 14 of the current list already, the first recruit in Joel Swatton, while the majority of the list has also indicated verbally that they will be around next year. This is a tremendous position for a coach to be in, to have such a great bunch of footballers and people commit for next season would be the envy of most clubs Season 2017 can't come quick enough for me, as I plan to return to the field in the capacity as a playing coach.

All the very best to the Reserves footballers, B Grade and B reserves netballers in the finals. Let's get around them and support them on their finals campaigns.

Brady Childs

Reserves Report – Bryce Balsillie

As a Reserves side we do what "Resi" sides do, we had our ups and downs this season. We are very happy with a 10 win to 8 loss record for the year, especially from where we've come from. I am very impressed and proud of the result for all the work the club, the players and supporters do each week to get this side on the park. The team finished in 5th spot and are preparing for an elimination final against Golden Square this week at the QEO.

The result highlights, as a club, the development and progress we have made over the year. We have an amazing group of guys who are enjoying their football and their mates. We have played 45 players across the year, with 19 playing senior football. The club has certainly unearthed some great new talent. Given the age of this group and supported by a wonderful senior coaching group and committee, the future looks very bright at the Bloods. Congratulations Emma Tomlins, we were disappointed to miss the 200 game occasion but very proud of you as a club person reaching this incredible milestone.

Sadly, Chris Poole has announced his retirement from playing with the Bloods. He joined the Bloods in 2011, has played over 60 games & won a runner up best & fairest in 2011 and won the Reserves Best & Fairest in 2015. He has 2 boys and, with his partner Karissa, are expecting again. We thank Poolie for his playing time at the club and look forward to seeing him around, in some capacity, in the future and we wait in anticipation, the next generation of "Poolies" coming through in years to come.

Thank you to Brady Childs and Julian Lake in their first season as coaches. They have done some really great work with both our Senior and Reserves sides this year. I know we will get plenty more opportunity to do so, but can I thank, on behalf of the Resi's the work done by Ben Edwards, Ben Allen, Brendan Francis and Simon Bullows, John Clyne and the wonderful trainer group and Chris Thornton, our Team Manager. But...this season is not finished with just yet!!!! So we ask that all the Bloods faithful get behind the guys and girls in our football & netball teams in our 2016 Finals campaign. We can all still go a long way.

Bryce Balsille

Under 18's – Neale Torpey

Well, the season has come to an end for the under 18's and even though we didn't manage to sneak into the finals it was certainly a successful season, as we finished 6th and missed 5th position by 4 points, managing 8 wins for the season. It was a challenging year for the lads being short on numbers most weeks. But to their credit they showed great resilience and commitment to forge forward and achieve some fantastic results.

As previously advised, we were looking at playing our best football in the back half of the season and this was proven by winning our last three games of the year by an average winning margin of 8 goals. The lads showed their ability to develop and learn a game plan and implement over a four quarter performance throughout the year, which is fantastic for their development to play at a higher standard of football.

The under 18's are in an extremely strong position for 2017 with all the bottom age players (16) from this year committing to next year and with 7 top ages so far from the under 16's also recommitting for 2017. It's been an extremely enjoyable year for me as coach and I have found a new level of enthusiasm in my coaching, and that's thanks to the 2016 under 18's group of lads and parents.

Congratulations to Ben McKinley who was the 5th under 18 player this season to make his senior debut against Maryborough. Four of the five under 18's to make their senior debut are still bottom age under 18's, which is exciting for the club and makes for an exciting 2017 and beyond.

Thank you to Brady, Jules and Bryce for your support throughout the season, it is certainly appreciated. To all the volunteers that help and assist and make it possible for us to play and be involved in this great club week in and week out, thank you. I personally cannot thank you enough.

Let's ensure we support the reserves and netballers as their season continues and hopefully continues deep into September.

Neale Torpy

JUNIOR FOOTBALL

The last month or two has been a very busy period for the Junior football division. It's hard to believe so much can get done by such a small committee. A big thanks to the various coaches and managers who get it all done week in and week out. Also those parents who put their hand up to help with game day duties and to man the canteen.

Most teams have now had some sort of mid or end of season get together at McDonalds. McDonalds are one of our major sponsors and the ongoing support of their business in turn allows us to get ongoing support from them. Sponsorship arrangements need to be a two-way street. Whenever you are using one of our sponsors please mention you are from SBFNC.

The U16 teams were hosted for training with the seniors at the QEO last month as part of a new initiative from the club. The club identified the need for the older boys to have an opportunity to transition from Jnr to Snr football. After training the boys joined in with the Senior football and netballers for dinner as well as hearing from the Senior coach and manager about what to expect next year. We expect to expand on this program next year. A combination of injuries and our vision for the future of the club saw a large number of U16 boys play U18 football this year as a number of U18 players got a taste of Senior football.

The U16 group should be congratulated on how they have conducted themselves this year. A tough start to the season off field has been addressed and the last part of the season ran smoothly. The boys have supported each other all year as various players moved between the Reserves, Seniors and U18's. A just reward for the boys is the Reserves won their first final and we will all be cheering them as the finals progress.

The U14 Seniors just missed out on final after losing their final round match to Strath. The large number of top age boys heading to U16's from this group will see us with a strong U16 team next year. The U14 Reserves were graded into division two which was a big ask for such a young list. The BJFL have already acknowledged they probably got this one wrong in grading and the boys probably should have played division 3. The upside is that the boys have gained valuable experience for next year.

The U12's had a mixed season with a number of close losses meaning they missed finals. To watch them push the top of the table team for the first ¾'s of their final match shows how talented they really are.

Our combined U9 and U10 side had a great year and have developed their skills thru the year. The season ended with a players vs parents match last week. Sorry I haven't heard who took home the silverware from that much anticipated match.

Our awards night is scheduled for Thursday 15 September at the clubrooms at the QEO starting at 6pm. Please come down and celebrate the end of season, thank our coaches, managers and support staff as well as acknowledge the efforts of our players. We have some big announcements for next year so come down and hear them first hand. Team and individual photos will be distributed at the awards night.

Cheers

Gareth Tawton
Junior President

JUNIOR SNAPS FROM THE SIDELINES

Congratulations Lila: Above Left - Congratulations to Lila Keck who recently played her 50th game for the South Bendigo Junior Football Club.

A helping hand(ball): Above right - A number of Junior players have stepped up and helped out the Under 18's side when they've been short on numbers. Here Under 16's player Connor Robertson gets a handball away in the Under 18's game against Kangaroo Flat.

YOUTH GIRLS FOOTBALL

The youth girls have come a long way since their first game, having only 8 players signed up at the beginning. Since then they have grown in number to a list of 17, which is a massive credit to the girls, as they rounded up friends and school mates to join and become a part of this fantastic South Bendigo culture.

We had girls who didn't even know how to kick a ball at their first training run who finished the season with a goal against their name by the end of the season.

This year was focused on the girls learning the rules, correcting techniques and most importantly having fun. If you ever get the chance to watch these girls play they are the epitome of what a team sport represents. They have each other's backs and just want everyone to enjoy their time.

The girls played North Bendigo a couple of rounds ago and it was anyone's game right up until the end. They put their training into action; tackling, shepherding, backing each other up and kicking it long to position. Unfortunately, in the dying seconds of the game, North kicked a goal and got up by a narrow margin.

All girls are eager to sign back on next year and keen to get more numbers involved.

If you know any young girls who love their football, are wanting something to keep them fit as well as enjoy a great time in a team environment get them to come along and join in with these youth girls

Next year youth girls competition will be opened up to both Under 15's and Under 19's squads

Youth Girls Coach

SOCIAL COMMITTEE NEWS

What's coming up on the Social Calendar?

Saturday 7th October – The Club will be holding our Best and Fairest vote counts and presentation night for netball U17's through to A Grade sides and football Under 18's through to Senior's at our Social Rooms on Saturday 7th October. Look out on our social media outlets for further details closer to the event.

NEXT EDITION

Unfortunately we will not be in a position to send out an October Newsletter so the next edition of **BLOOD LINES** will probably appear in November when we will bring you all the details on our finals campaigns and the Best and Fairest results.

Our aim will be to try and keep getting a newsletter out, possibly every second month across the off season and then back to monthly once the 2017 season gets underway.
