The dinner is a strictly ticketed event and there will be no walk-up admission to the venue on the night. If you are one of those planning to come and still haven't got your ticket/s or you just hadn't got organised before the cut-off date and you wanted to come, you need to make the most of this second chance. Get on line and grab your tickets before the 16th as there won't be any further opportunities after that.

2018 LIFE MEMBERS LUNCH

President Rick Townsend welcomes the Life Members to the 2018 Lunch

The Annual Life Member's Luncheon was again a big success. Planned, organised and emceed on the day by Life Member Garry Smith the day was enjoyed by 30+ Life Members, all of whom have done so much for the Club over the years and in many cases continue to do so.

The event was opened by President Rick Townsend who welcomed all in attendance and gave a brief overview on current club matters and upcoming events.

Guests then enjoyed an excellent lunch, provided by our good sponsors The Old Boundary Hotel

SPORTS CHAPLAINCY – A View From The Sidelines

A wise man by the name of Solomon once said, *“I have seen something else under the sun: The race is not to the swift or the battle to the strong, nor does food come to the wise, or wealth to the brilliant or favour to the learned; but time and chance happen to them all.”*

Any sports enthusiast will be aware of the thrill of victory and the agony of defeat. Some athletes work hard and experience the heights of success while others; they do the same amount of training but miss out on the glory and fame of success. Australia’s efforts in the recent World Cup are a great example of this. Each of these Socceroos has worked hard over the past four years and yet the joy of making it through these recent qualifying rounds into the Top 16 has eluded them once again. The experience of the Socceroos echoes the wise words of Solomon – one can train endlessly, eat well, get sponsored, and know one’s sport, but with no guarantees of success.

A few years ago I was training and preparing for the half marathon in Melbourne. I’d done all the hard work in preparation and about three weeks out from the race I tweaked my hamstring while running preventing me from participating in the race. I was so disappointed knowing that this race was gone and I was going to have to watch from the sidelines.

As athletes, we can do all the right things with no guarantee of success. Are you feeling as if life is not going as expected? That your hard work isn’t paying off? Solomon reminds us that troubles will come and go, as that’s a part of life. So in the end, it’s what you do in the midst of trouble that really matters the most in life.

Vince Lombardi, a famous NFL player and coach of the Green Bay Packers, had some wise advice for tough times. Having experienced both the thrill of victory and the agony of defeat, he said, “It’s not whether you get knocked down...” that matters, but rather “...it’s whether you get up.” What matters most in life is getting up and trying again.

Let’s enjoy our sport. Let’s make sure that we don’t allow our victories or our defeats to define us. And if we’re getting knocked around, let’s make sure we keep getting up and trying again.

NETFIT Netball Clinic

On Thursday 5th July, the South Bendigo Senior and Junior Netballers have the opportunity to join former Vixens, Swifts and Giants superstar Sarah Wall for a high intensity training session – this is a very exciting event for the Club and we look forward to all of our players benefiting from the experience and knowledge of such a leading netballer and fitness trailblazer!

SALT (Sport and Life Training)

The second SALT (Sport and Life Training) session took place on Tuesday 19th June and was aimed at our 10yo-13yo netballers and footballers. Titled, **Strong is the New Pretty – Unstoppable**, this course is designed to highlight the differences in the attitudes and beliefs of 10-13 year old girls compared with teenagers experiencing puberty. The changes that happen to many teenagers at puberty are identified and pre-pubescent girls are prepared to be able to recognise these changes so they can avoid being negatively impacted by these external influences. Topics covered included self-esteem, popularity, respect, peer pressure and the importance of listening to the right voices.

FOOTBALL NEWS

SENIORS

The past month has definitely not gone the way we had hoped for the senior team, with losses to Strathfieldsaye, Gisborne, Kyneton and Sandhurst. We have shown in patches our ability to match the best, however haven't been able to string together a full four quarter performance. Although disappointed the boys have continually regrouped and are working hard as a team to turn their form around.

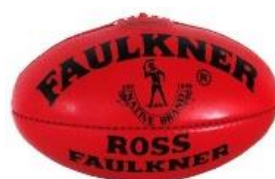

On a more positive note it's been great to see some of the club's future stars step up and play senior football over the past month. Congratulations to Sam Maher, Jesse Sheahan, and Kade Blow who all have successfully made their senior debuts and provide excitement for years to come. Also, congratulations to Brayden Torpey, who was rewarded for his consistent form and was selected in the training squad for Vic Country under 19s.

As coaches we still have huge belief in the playing group and will be working hard alongside them to deliver the consistent exciting football we know they are capable of. The coaches and players would like to acknowledge the great work by our medical staff. Emily, Dave and John do an amazing job supporting the playing group and we all thank them enormously. The other volunteers, from Johnny on the interchange bench to Adrian and other helpers who run the water for the players, to the time keepers Ron, Robin, Damien and the other lads who help, it is much appreciated. It is the volunteers who keep the club going and we truly thank you all.

Thanks to all the supporters and sponsors for their ongoing support. I'm looking forward to the next few months ahead as we turn our season around.

Cheers

Brady Childs

RESERVES

Well the first half of the year is truly done and dusted, and it seems like only a few weeks ago that we were in Kyneton for Round 1.

Kyneton in Round 1 at Kyneton, we thought we might have actually got a decent day! How wrong we were! 8 degrees and raining sideways is what we did get. In what was a hard slog for both sides the boys fought hard and came away with the win.

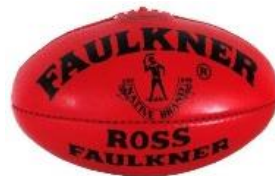

Up next we had Sandhurst at the QEO. We started off the game well and then got struck down with a few injuries which hurt our rotations on what was a hot day and a stark contrast to the week before. The boys gave it all they had in trying circumstances and should be proud of their efforts. We took away confidence knowing that we can match it with them and left us looking forward to getting another crack at them later on in the year.

Since then the reserve boys have built throughout the year and implementing the game plan has been a high priority along with enjoying our footy and building a team and team culture that we want. We have taken on and defeated Maryborough, Golden square, Castlemaine, Kangaroo Flat and Gisborne. We gave Eaglehawk a big scare but unfortunately did not get the chocolates, but we will deal with that next time around.

A highlight for us so far this year is our sensational win over Strathfieldsaye on their home turf. The boys just wanted the win and we got it. The group took a lot of confidence from this and will continue to work on the parts of our game that will, with hard work and commitment, see us finish the year strongly. We have had a few players come and go from the group but the belief we have instilled is soon transferred onto incoming members of the group.

This group is capable of anything and is just a fantastic group of people to be involved with.

Cheers
Dan and Smythie

UNDER 18's

Well it's certainly a bit of an in different season for the under 18's this year with both Maryborough and Castlemaine not fielding under 18 teams. This resulted in South 18's having three weeks off football (interleague as well) not ideal that's for sure. In saying this we have started the season extremely well with 2 wins, 1 draw and 1 loss over the four games played. The pleasing sign is the development that we are starting to see as we have a mix this year of top agers, players coming up from the 16's and also some new players to the club. We knew it would take a bit for the lads to understand each other and to also understand the way I coach.

Round 1 Kyneton:

Some of the worse conditions I have seen in Kyneton especially for April. The lads played some exciting footy in the wet cold and windy conditions winning by 12 goals. Better players for the day included Mitch Goodwin, Nathan Leed & Kade Blow.

Round 2 Sandhurst:

Wasn't such a good day football wise although the weather was the complete opposite to the week before. Sandhurst got on top early and we allowed them to play their brand of football that really hurt us going down by 14 goals.

It was a really good learning curve for the lads to see firsthand what a good side can do when committed over four quarters. Better players being Josh Connelly, Darcy Bakes and Will Tobin.

Round 5 Golden Square:

Really exciting game off football that resulted in a draw. This has really been the turning point of our season where the game plan and structures are being implemented and most importantly the players are understanding what it takes to be a competitive football side. At half time we were a couple of goals down with Square kicking with the breeze, we asked the players to play defensive football for 20 mins maintaining our position in the game allowing us to win the game in the last 20 mins. At 3 quarter time we were 25 points down but had plenty of confidence that we could run over the top of Square and that we did only for the scoreboard to reflect a draw at the end of the game. It was a fantastic effort that gave the players some much needed confidence and belief that we are a good football side. Better players: Aaron Gundry, Will Tobin and Josh Connelly.

Round 6 Eaglehawk: Eaglehawk at Eaglehawk is one of the toughest games you play during the home and away season. To their credit Eaglehawk threw everything at the players but with a good start we were able to maintain our position and ended up winning by 5 goals. Better Players: Alexander Smith-Ralph, Will Allen and Kade Blow.

Round 7 Kangaroo Flat:

First game of the year at Harry Trot for the year didn't go the way we would have liked. The lads maintained their position on the game and played an exciting brand of football for small pockets of the game, unfortunately Flat got on top in the last and won by 5 goals. Best players being Josh Connolly, Will Allen and Darcy Bakes.

Round 8 Strathfieldsaye:

Fantastic game even though we went down by 4 goals. 15 mins of football in the third quarter cost us greatly, however the endeavour and commitment that the lads showed proved they have the ability to match it with the better sides.

Congratulations to Will Allen, Will Tobin and Aaron Gundry who all represented the club at interleague level down in Warrnambool on 19.05.2018.

Congrats also to Kade Blow who made his senior debut. Kade is a fantastic example of a young bloke that just loves to play football. He has come through our juniors from playing under 10's to making his senior debut. Congrats Blowie it's a fantastic achievement. Kade's other passion is fishing, do yourself a favour and google KD Fishing.

The lads are certainly commencing to play some of their better football and I expect that it will only improve further over the remaining games of the season.

Cheers

Torps (Neale Torpy)

YOUNG BLOOD SELECTED IN VIC COUNTRY U19 SQUAD

Congratulations to **Brayden Torpey** for being selected in the initial Vic Country U19 squads. Other BFNL players to be selected are Jack Scanlon, Gisborne, Bailey Henderson, Lachlan Gill and Lachy Wallace, Strathfieldsaye.

Through selection in the squad Torpey has been recognised as being amongst the top community football talent from across the state and will have the chance to don the representative jumper in the 2018 AFL Victoria Under 19 challenge Cup.

Brayden's transition to the backline this year has seen him play some very good football in the Bloods senior side. A first rate user of the ball his left foot has created numerous opportunities for the Bloods coming out of the backline this season.

Damian Sexton will lead the next generation of country Victoria talent as coach of the Under 19 Energy Safe Vic Country squad for the tenth consecutive year.

Goulburn Valley League has secured the most selections in the initial Under 19 squad with nine players, followed by Ovens & Murray Football League and Geelong Football League with eight representatives each.

The Under 19 squad will look to claim its fifth consecutive win over VAFA, after securing a tight four point win over VAFA at Frankston Oval last year.

The Vic Country vs. Vic Metro showdown will be held at Ballarat's Mars Stadium on Sunday July 8, with the Under 19 Challenge kicking off at 11:30am, followed by the seniors at 2:00pm.

The initial squads will conduct training sessions in mid-June, with the final squads to be released in the lead up to the 2018 AFL Victoria Community Championships.

Brayden Torpey marks strongly in defence against Kyneton.

His good form this year has been rewarded with selection in the 2018 AFL Victoria Country U19 Squad

KIERAN STRACHAN TRANSFERS TO PORT MELBOURNE'S VFL LIST

Kieran Strachan's VFL journey will continue with the Port Melbourne Football for the remainder of season 2018. In June Essendon released Kieran to play on permit with "The Borough" until the end of the season. Kieran remains a South Bendigo player and when not required for VFL duties will be available for selection with the Bloods.

The picture and article below has been taken from the Port Melbourne website.

Borough Sign Young Ruckman Kieran Strachan

The Port Melbourne Football Club are pleased to announce the signing of young ruckman Kieran Strachan. Strachan is a 22-year-old, 202 centimetre ruckman initially from South Bendigo who has most recently been on Essendon's VFL list.

With a heavy artillery of AFL-listed personnel to choose from each week for the Bombers, Strachan was often an unfortunate 'victim of circumstance' when it came to earning a spot despite an obvious amount of raw ability and consistently-strong performances with his home club South Bendigo. Strachan has only played 4 VFL games since joining the Bombers VFL List in 2017 which included being named in the Best Players following a 16-disposal, 8-mark (5 contested) and 4-tackle match last year.

Strachan won two consecutive best and fairests with the 'Bloods' in 2015/16 and has been on the radar of several AFL clubs having also tested at the AFL Combine last year. So far this season, Strachan has put together 7 games with South Bendigo and even managed to sneak forward to boot 9 goals.

With Premiership ruckman Lachie Waddell currently sidelined with a foot injury, Borough fans can possibly expect to see Strachan play a role within the engine room over the next few weeks. Strachan will officially wear jumper number 50 for the Borough.

From a list change point of view, Strachan officially replaces Wade Donnan who will be put on the club's supplementary list as he returns from recent injury setbacks.

YOUTH GIRLS FOOTBALL

Macca's on Your Team

Our Under 15 and Under12 Girls have received a welcome boost through the donation of 20 Sherrin footballs, a Coach's board, a carry bag, a corflute sign for Harry Trott Oval and an A3 poster for the clubrooms thanks to Macca's on Your Team, a community initiative from McDonald's. The equipment was presented to a variety of clubs by Stefan Wojciechowski from McDonald's Bendigo.

Now in its third year, Macca's on Your Team provides sporting equipment to junior community AFL clubs throughout metro and regional Victoria, with equipment donations exceeding \$1 Million to date. The program aims to encourage Victorian junior sports participants to get involved in community sport, socialise with friends and lead active lifestyles.

Stefan from McDonald's Bendigo, said he was thrilled to deliver the sports equipment, to his local clubs and show his ongoing commitment to grassroots sport in the area. "We are excited to deliver over \$10,000 worth of equipment to these local clubs. Grassroots sport is an integral part of our community and we're proud to be able to support the club in this way," Wojciechowski said.
