NEWS LETTER OF THE SOUTH BENDIGO FOOTBALL NETBALL CLUB

June 2018 Edition

Welcome to the June edition of "Blood Lines". The intent of the Club's newsletter is to keep members, players and supporters informed about what's happening at South by recalling the highlights of the month just passed and informing on what's coming up in the month ahead. If there are any other areas or aspects of the Club that you would like to see us cover, please feel free to submit your suggestions via a return email.

125 YEAR REUNION GALA DINNER

ONLY 3 WEEKS UNTIL BOOKINGS CLOSE !!!!

Lock in the dates – Friday 27th July and Saturday 28th July 2018 – for SBFNC's 125 Year celebrations.

The weekend starts with a casual gathering in the Clubs Social Rooms from 6.00pm on the Friday night, 27th July. This will provide the opportunity for an informal catch up with old team mates and to have a look at some of the club memorabilia which will be on display.

The big day of events starts with a home game against traditional rivals Golden Square at the QEO on Saturday 28th July. All current and past players/partners, committee, coaches, support staff, supporters as well as sponsors new and old are invited to the event. The Social Rooms will be open from 11.00am, again to provide an opportunity to catch up with people as well as giving a chance for those unable to make the Friday night to view the memorabilia display.

Following the game, a Gala Dinner for all connected with the club over the years and their partners will be held at the All Seasons Resort Hotel, 171 -183 Mclvor Hwy, Strathdale to celebrate and reminisce.

Purchase your ticket now through the  site as per the invitation.

Please nominate a table captain and advise Stephen Dean **ASAP** whom this person is so that he can name a table on Trybooking site after them – this will allow your table guests to book online with ease themselves and be able to pay and print tickets at the same time also.

ACCOMMODATION FOR 125 YEAR REUNION WEEKEND

All Seasons have allocated a small number of rooms at a special rate for 125 GALA weekend attendees if you require accommodation. Please mention you are attending the SBFNC Gala Dinner and ask for their discounted rate. Contact All Seasons on 03 5443 8166. First in best dressed.

Alternatively, Bendigo Tourism Centre may be able to help you find accommodation. Phone 03 5434 6060, Email: tourism@bendigo.vic.gov.au or Website: www.bendigotourism.com

HELP US HELP YOU – MISSING PLAYERS

Due to incomplete records, a small number of past players and officials are not included on the club database that has been established over the last few years. Examples of players the Club has lost contact with from the 80's are Mark Mackinder, Des Charles, Ian (Ducka) Malseed. There are many across the decades not on the database. If you are in contact with old team mates that you suspect may not be on the club database (whatever the era), please contact them and ask if they could forward details along to the club so they can be kept updated on the goings on of the SBFNC. Email details to Alan Ellis at alan_ellis@bigpond.com

VOLUNTEERS WANTED

As we approach the 125 Reunion weekend in late July, there are many little tasks/jobs that require doing (e.g. Memorabilia display setup, door people at Gala Night to check tickets and show people to tables, etc, etc). Don't leave it to the same old few. Many hands make light work – if you can help out please contact Stephen Dean on msdean@bigpond.com 0437 299 063 or Alan Ellis on alan_ellis@bigpond.com 0427 427 627. Your support is needed to make this huge event happen. Help us help you.

CALL FOR MEMORABILIA – FINAL CALL

As part of the 125 Celebrations we intend to set up the Social Rooms with a display of past memorabilia. If you have anything old and pertinent to the history of SBFNC (e.g. photos, jumpers, membership cards, lapel pins, etc) we would love it if you would be able to contact us and loan it to us for the display.

As we are mindful of not losing/misplacing such valuable keepsakes, we would insist that all items are provided in a clear plastic sealed storage bag along with your name and contact details. A brief description of the item and its owner would also be appreciated.

To enable Scott McLeod time to upload photos, etc so that they can be shown on screen on the night, we **URGENTLY** need these memorabilia items **NOW**.

For further information, please email Stephen Dean on msdean@bigpond.com 0437 299 063 or Alan Ellis on alan_ellis@bigpond.com 0427 427 627

Sports Chaplaincy – What Are People Saying?

Over 400 guests packed the MCG Members Dining Room on Wednesday May 16th to celebrate the work of Sports Chaplains around the nation and hear newly appointed Australian Cricket Coach, Justin Langer, in his first public speaking engagement since his appointment. Awards were a key part of the night with the Bendigo sporting community receiving a special commendation for their work alongside of AFL India.

The highlight of the night was certainly Justin Langer’s entertaining, humorous and insightful speech. He immediately addressed “the elephant in the room” by asking if anyone had ever made a mistake in life referring to the three Aussie test players directly involved in the infamous “ball-tampering incident.” He promised that under his leadership all would get a second chance. He also clearly defined the difference between healthy, humorous sporting banter and personal abusive sledging. He then went on to discuss two particular low points in his career and spoke glowingly of the role the Western Australian Cricket Team’s Chaplain had played in helping him find a way through this difficult season in his life. Whether that was timely words of advice found in the Scriptures or a caring word of support, Langer highlighted the important pastoral care role of chaplains in our sporting communities.

What are other people saying about chaplaincy? Craig Bellamy (Melbourne Storm) was quoted as saying, “I believe chaplains are a much-needed resource in our game” and Neale Daniher (Former Melbourne Coach) writes, “...many people make a sports club successful. But at the ‘people end’ of success you can’t go without a club chaplain. They’re out there during the good and the tough times.” These comments highlight once again that sports chaplaincy is making a difference at both the elite and grass root levels of sport right across our country.

Don’t hesitate to give me a call on 0408 413 026 if you ever feel like you would like to have a coffee and a chat.

PLAYER PROFILES

Jamie Lee Clohesy

Jamie Lee or “Jimma” as she is known, moved to South Bendigo this season after being an A Grade premiership player at Kangaroo Flat FNC.

Jamie has also played at YCW where she won 2 x A Grade Club Best and Fairest awards while coming Runner Up in the LVFNL League medal on 2 occasions.

Jimma is proving to be a huge asset to our A Grade team with her fast movement around court and excellent shooting skills.

BLOODS STARTING TO DEVELOP DESPITE LOSS TO HAWKS

Kieran Isles – Bendigo Advertiser 27th May

SOUTH Bendigo coach Janelle Hobbs says she can see her side is developing, despite a winless start to the BFNL season. A new-look Bloods lost their fourth game of the season on Saturday when beaten by Eaglehawk 60-42 at Canterbury Park. South Bendigo was able to match it with the in-form Hawks for at least two quarters before the margin blew out in the final term.

Hobbs, who is in her first season at South Bendigo following successful stints at Kangaroo Flat and YCW, was still able to draw plenty of positives from the game. “We are definitely developing, but as we have said it (success) is not something that will happen overnight,” she said. “We’ve only played four games this year and are still a new side. “We are putting structures in place at training and trying to replicate the intensity that’s needed in a match at training. “It’s all a very new experience for many of the girls, but hopefully a win is just around the corner.”

The Bloods task was made even harder following the pre-game loss of goal attack Jamie Lee-Clohesy, who was hospitalised on Saturday with a wisdom-tooth infection. Her absence earned Maddi Wild a call-up from A-reserve, with the tall goal shooter ending the day as one of her side’s best alongside Paige Randall.

125-Year Gala Day

The Junior Division held its own 125-year celebrations for the Club at Harry Trott Oval on Sunday 20th May. The junior netballers celebrated by hosting a Fast 5 tournament – it was great to see budding netballers of all ages and abilities take the court to have some fun!

SALT (Sport and Life Training)

As a sporting club, we are in a fortunate position to be able to reach young people and to share with them information that will benefit their health and wellbeing. We are very proud to team up with SALT (Sport and Life Training) to deliver a number of education sessions to our players.

The first session took place on Wednesday 30th May and was aimed at our 14yo-18yo netballers and footballers. Titled, **Strong is the New Pretty – Totally Empowered**, this course is designed to help girls overcome an often accepted, narrow definition of what it means to be a girl. Girls are encouraged to identify their character strengths and to use their strengths to reach their potential. Girls are empowered to critically evaluate the messages of society and to be defined by their values, beliefs and character, rather than by the way that they look.

The second session is due to take place on Thursday 7th June and is aimed at our 10yo-13yo netballers and footballers. Titled, **Strong is the New Pretty – Unstoppable**, this course is designed to highlight the differences in the attitudes and beliefs of 10-13 year old girls compared with teenagers experiencing puberty. The changes that happen to many teenagers at puberty are identified and pre-pubescent girls are prepared to be able to recognise the changes, so they can avoid being negatively impacted by these external influences. Topics covered include self-esteem, popularity, respect, peer pressure and the importance of listening to the right voices.

JUNIOR FOOTBALL

UNDER 9's

It's not just about whether you won or lost the game or who kicked the most goals, sometimes it's just about having a hot dog after the game with your team mates!!

UNDER 12 BOYS

The Junior Football Club is pleased to announce our Under 12 leadership group for season 2018.

Cooper Herbert will be Captain while Elliot Forsyth and Luke Feuerherdt will share the Vice Captains role. All three boys have exemplary leadership qualities and I'm sure they will lead the team well.

Unfortunately, Luke was absent at an athletics carnival so wasn't present for the photo above. We'll make sure we get his picture into a later edition of the Newsletter.

Under 15's

The under 15 girls have had a great start to the season. While they lost their first game by 15 points, and their second by only 4 points they displayed some great skills and a good work rate in both games. which was then rewarded in round 3 with a 110-0 point win in our first game at Harry Trott oval. It was then backed up again with a hard fought win against Golden Square coming away in the end 46-31. The girls are showing great numbers at training and are absolutely loving being out there playing footy. Making friends, getting fit and having fun all at the same time!

Congratulations to the following girls on their leadership appointments: Captain Jeanette Ross with Vice Captains Tia Davidge and Deyanni Ralph-Pryor. We will do some player profiles on the girls in later editions.
